CLIFFORD
CONNECT 5

The Clifford Connect 5 has attained the highest Thatcham accreditation for tracking devices. The system includes an online account, Driver Recognition System to protect against key theft, and remote immobilisation.

Thatcham Category 5 Quality Assured tracking device ideal for cars, vans, HGVs, and leisure vehicles including motorhomes, and comes with two Driver Recognition System tags. You have the ability to view the location of your vehicle on a secure online account.

The device is monitored 24 hours a day, 7 days a week by the Global Telematics Secure Control Centre. You will receive an alert if your vehicle is moved without the DRS tag being present, or if the battery runs low or is disconnected. It will have the ability to be immobilised at police request.

Fully transferable between vehicles, and can be subscribed with multiple options including monthly Direct Debit.

For subscription information please visit www.cliffordconnect.co.uk/subscriptions
